Long long ago in a mysterious Kingdom, called Mistria.there was a knight called sir Luigi and his twin sir Abe,there father was king Jonathan.

One fine day sir Luigi and sir Abe were patrolling the boarder of the castle when they saw some weird fire action going on in the forest so they decided to investigate but when the got there it was not what they expected at all.....

It was an ENORMOUS evil fire breathing dragon who was burning the trees to crisps.

Later on that day they went to warn the kingdom.

Then the knights tried to fight the dragon but it took their memories.

So their friends went to slay the dragon and they were successful.

So the knights lived happily ever after with their memories.
